BRITISH COLUMBIA KITEFLIERS ASSOCIATION

Founded in 1980, the British Columbia Kitefliers' Association (BCKA) is incorporated under the Society Act of British Columbia as a non-profit organization dedicated to promoting interest and participation in the making and flying of kites.

BCKA members believe that kiting is for everyone: all ages and all levels of kite expertise are welcome. Members get together for fly-ins and workshops and take part in Kite Festivals in B.C. and the rest of Canada, the neighbouring states of the U.S. and sometimes in other parts of the world. These events offer opportunities to make new friends around a shared interest and to see intriguing and varied kite creations.

In addition, in the spring and summer months, we actively conduct kite-making workshops in schools and community centres to teach children (and sometimes their parents) the sheer joy of making a kite all by themselves that will really FLY! Helping out at one of these events is an exhilarating experience.

Membership Benefits

1. PDF versions of the "WINDSOX", our newsletter, which gives notice of upcoming events and information about members and kiting as well as worldwide kite news obtained through the exchange of newsletters from numerous foreign kite organizations.
2. Your membership card will sometimes get you a discount on merchandise purchased at kite stores, if you request it.

BCKA patches and pins may be purchased for \$5.00 each.
